Youth Protection Program

All summer programs involving minors at The University of Texas at Austin follow guidelines set forth by the Youth Protection Program (YPP). The purpose of the YPP is to promote the safety of minors participating in programs on university premises or participating in those programs sponsored or supported by the University. All programs work closely with the YPP Director to ensure that every program operates in accordance with all of the university’s policies, rules and regulations, as well as the laws of The State of Texas regarding the safety of minors. More information about the YPP is available online at www.youthprotectionprogram.utexas.edu, and questions can be directed to the YPP Director at ypp@utexas.edu.

Campus Concealed Carry

On June 1, 2015, Gov. Greg Abbott signed S.B. 11, also known as the "campus carry" law. S.B. 11 provides that license holders may carry a concealed handgun throughout university campuses, starting Aug. 1, 2016. The law gives public universities some discretion to regulate campus carry.

The University of Texas at Austin and President Gregory L. Fenves take issues surrounding guns on campus very seriously and will strive to create policies that conform to the new law, protect the rights of citizens and ensure the safety and security of the entire campus.

S.B. 11 provides that after consulting with students, staff and faculty regarding "the nature of the student population, specific safety considerations and the uniqueness of
the campus environment" the university may enact reasonable rules and regulations regarding:

- carrying of concealed handguns by license holders on campus; and
- storage of handguns in dormitories or other residential facilities

The law stipulates, however, that these rules and regulations may not either "generally prohibit" or "have the effect of generally prohibiting" license holders from carrying concealed handguns on campus.

The purpose of the Youth Protection Program (YPP) is to protect all minors in their university-sponsored activities and interactions involving members of The University of Texas at Austin community. Pursuant to S.B. 11 (the "Campus Carry Law"), the YPP Policy prohibits the carrying of a concealed handgun by any person involved in a University of Texas at Austin camp/program for minors. This Policy also applies to parents and guardians who are visiting or transporting a participating minor to and from camps/programs at The University of Texas at Austin.

"PURSUANT TO SECTION 30.06, PENAL CODE (TRESPASS BY LICENSE HOLDER WITH A CONCEALED HANDGUN), A PERSON LICENSED UNDER SUBCHAPTER H, CHAPTER 411, GOVERNMENT CODE (HANDGUN LICENSING LAW), MAY NOT ENTER THIS PROPERTY WITH A CONCEALED HANDGUN"

Please see the Campus Carry Implementation (www.campuscarry.utexas.edu/) website for more information.
